

"DICK WHITTINGTON"

1969 CHRISTMAS SEASON

Dear Patron,

Once again it is Panto. time and we hope you enjoy our production of "Dick Whittington". It is a happy panto.—no villains or devils. We have returned to traditional pantomime using a female "Principal Boy" and a male "Dame." During the performance you will be asked to join in the singing—so let's hear you.

As this is our last production for 1969 may I take this opportunity, on behalf of the committee of the Mackay Community Theatre, of wishing you a very Happy Christmas and a Happy and Healthy New Year.

MOYA HUTCHIESON.
