DEAR PATRON:

Once again we welcome you and thank you for your attendance. This is the fourth and final production for the year 1968-69, and is brought to us by a producer new to Mackay. We are always looking for producers and it is encouraging to find a newcomer to the town willing to impart his knowledge and energy to our members. The set tonight is a new venture. It has been used in the capital cities but is new to Mackay and we do hope you will like and approve of it.

As our year comes to an end I wish to inform you that the annual meeting will be held in Club rooms of the Mackay Community Theatre, Shakespeare Street, on Wednesday night, August 27, at 8 p.m. Every-one is welcome. Nomination forms will be available soon, all positions in administration will be open. To all who have any ideas on what should or could be done as regards the Theatre this is the opportunity to state your case. Show your interest in the activities of the group by attending the annual meeting.

MOYA HUTCHIESON.
