Tonight we present "THERE'S A GIRL IN MY SOUP". This play has been very successful in professional theatre and COMMUNITY THEATRE is one of very few amateur companies to produce it in Australia. It is new, a little naughty and lots of fun. We hope you enjoy it and have a good laugh and, if so, that you will tell your friends and help to swell our attendances.

In September we will be presenting the musical, "WHITE HORSE INN." While one of the older musicals it has very familiar songs and we hope you make it a date to remember.

Another straight show will be staged in November, so you can see we will be kept busy. Have you an interest in theatre? If you have we would make you most welcome, so just contact any member of the COMMUNITY THEATRE.
